KABC "ACTs" for YOU!

- * *Advocacy.* KABC is the 'voice' for frail residents of Kansas long-term care homes.

- * *Training.* KABC educates nursing home staff about such topics as preventing abuse, neglect, and exploitation.

*... help fund KABC programs.
Your dollars help us provide:*

- *Guidance about placement decisions & quality care concerns*
- *A continual information stream about nursing homes & assisted living*
- *24/7 access to reports about quality health care*

*We still need your support and friendship.
Please use the enclosed card to indicate your level of support
for our fundraising campaign.*
