

My Wake Up Call

Written by Patricia Batholomew

I'm in his hands, I'm in his hands

Whatever the future holds

I'm in his hands

The days I cannot see

have all been planned for me

His way is best you see

I'm in his hands

Patricia is a resident at a nursing facility in Pennsylvania.

When given the information on the challenge she stated the Power of her Voice is through her poems.

There are times that she is up at night writing the poem, the staff does not interfere with her right to be up at night writing.

Patricia wanted to share her voice and poems with the other residents. She has that right, so she used her voice.

By using her power of voice, Patricia has a weekly spot on the activities calendar, every Thursday at 3:30, called Patsy's Bible Study.

Patricia uses activities for "The Power of my Voice"
