

Hi Everyone,

OK here it goes I have been at Waterview here since 2014. I was constantly falling. They have been nothing but nice to me since I've been here. I was treated with the greatest respect. I enjoys knitting, crocheting and drawing which is my favorite. Cooking was my passion. I loved it. I join most of the classes that recreation has to offer here, and it has been fun. I tried going back home but I was unable to do everything. I have a great granddaughter now who can talk and answer me on the phone, she is now 5 years old.

I enjoy drawing most anything but now that I am older I can't do some things anymore. Good has been good to me , though .

Don't give up, keep tryng. I just turned 89 years old . There will be days you will be unable to , but keep trying. Be Happy!

I have 3 children, 5 grandchildren and 5 great grandchildren.

Sincerely,

Rose Moncato
