Crystal Gateway Marriott
1700 Jefferson Davis Hwy., Arlington, VA 22202

You are invited to submit a proposal to present during the 2019 Consumer Voice Conference.

Each year, the Consumer Voice hosts a conference to educate and empower consumers and consumer advocates. The conference covers long-term care issues, including current trends, best practices, advocacy opportunities, and new research. Attendees come to learn, network, and exchange ideas with advocates from all over the country.

Instructions for submitting a proposal are below. You may submit more than one proposal.

Who Are We?

The Consumer Voice is the leading national voice representing consumers in issues related to long-term care, helping to ensure that consumers are empowered to advocate for themselves. We are a primary source of information and tools for consumers, families, caregivers, advocates and ombudsmen to help ensure quality care for the individual.

To carry out our mission, we:

- Advocate for public policies that support quality care and quality of life responsive to consumers' needs in all long-term care settings.
- Empower and educate consumers and families with the knowledge and tools they need to advocate for themselves.
- Train and support individuals and groups that empower and advocate for consumers of long-term care.
- Promote the critical role of direct-care workers and best practices in quality-care deliver.

Consumer Voice envisions a world in which all consumers of long-term care, services and supports are treated with respect and dignity and have a wide range of affordable, quality options across all settings. These options will make it possible for individuals to receive care and services in the location and manner of their choice and to attain a high quality of life.

What Makes Our Conference Unique?

The Consumer Voice Annual Conference draws 250 - 300 individuals from 35-40 states. Our attendees include long-term care consumers, State Long-Term Care Ombudsmen and their program representatives, representatives of Federal and State government, citizen advocates, researchers, family members, and other advocates.

We accept proposals from citizen advocates, resident and family councils, long-term care ombudsman programs, researchers, and others who are involved in advocacy for long-term care consumers.
