

Psalm 119:105

Your word is a lamp to my feet
and a light to my path.

God's word provides His light as
we navigate this journey of our
lives. This is what this puzzle
reminds me of.

What does it mean to be heard?

It could be a light in someone's
path and what we say is not only
acknowledged, but is seen as
worthwhile to others in a profound way.
Puzzles help improve visual-spatial
reasoning, short-term memory and problem-
solving skills as well as combat cognitive
decline, which can reduce risk of
developing dementia. Puzzling can reduce
stress and anxiety.
