**Whereas**, there are more than 1.6 million individuals living in 16,000 nursing homes; and 1 million individuals living in 50,000 board and care/assisted living facilities in the U.S.; and

**Whereas**, all residents should be aware of their rights so they may be empowered to live with dignity and self-determination; and

**Whereas**, we wish to honor and celebrate these citizens, to recognize their rich individuality, and to reaffirm their rights as community members and citizens, including the right to have a say in their care; and

**Whereas**, individuals and groups across the country will be celebrating Residents' Rights Week with the theme – "Defining Dining: It's About Me" – to emphasize the importance of affirming these rights through facility practices, public policy and resident-centered decision-making that impacts quality of care and quality of life.
