

2016 Residents Voice Challenge

Residents! Display your writing or artistic skills by submitting essays, poems, artwork, drawings, or videos related to the theme for Residents' Rights Month 2016 "My Vote Matters."

Pick one of the following activities:

Resident President

Pretend you are running for President and your platform is long-term care consumers' rights. Create a campaign poster or write a stump speech (or record a video of you giving your stump speech). Purchase Resident President posters in our online store as part of the Resident's Voice Activity Toolkit or download the poster from our website.

Most Memorable Election

Write an essay, create a poem, or express yourself artistically sharing the most memorable election in which you voted.

What Would You Tell the Current Presidential Candidates?

Imagine you are meeting with one of the current presidential candidates. Which candidate would you speak to and why? What types of questions would you ask them? What type of issues would you ask them to focus on? What would you tell them on behalf of all long-term care consumers?
