

Resources on Duals Demonstration Projects

November 2014

Resources from several conference sessions and a webinar for advocates/ombudsmen on managed long-term care services and supports, including dual demonstration projects, are accessible via a National Ombudsman Resource Center issue page,

<http://www.ltombudsman.org/issues/medicare-and-medicaid#mltss>

The National Senior Citizens Law Center has a website set aside for advocacy related to the Duals Demos: <http://dualsdemoadvocacy.org/>

An issue brief from the Kaiser Family Foundation (2013) analyzes long-term services and supports within financial alignment demos:

<http://kff.org/medicaid/issue-brief/long-term-services-and-supports-in-the-financial-alignment-demonstrations-for-dual-eligible-beneficiaries/>

A policy paper from Mathematica (2010) specifically focuses on the opportunities that Duals Demos could provide for improved nursing home care:

<http://www.mathematica-mpr.com/> "Coordinating and Improving Care for Dual Eligibles in Nursing Facilities: Current Obstacles and Pathways to Improvement" (March 2010)

ABA Ombuds Standards:
