**How can a facility assist?**

A facility can

- Assist you in registering.
- Provide information on upcoming elections.
- Encourage you to become educated about candidates and issues.
- Assist in maintaining your voter registration identity cards.

A facility cannot

- Request a mail in ballot without your knowledge.
- Witness more than one mail in ballot per election
- Influence your vote, mark a ballot in a way other than instructed by you, or tell anyone how you voted.

**Facility Best Practices**

- Post voting rights and information in prominent locations
- Provide scheduled transportation to and from polling sites during early voting and Election Day
- Host debate watching events
- Invite candidates to the facility
- Provide education and assistance with mail-in ballots
- Distribute accurate sample ballots prior to elections (ballots available through third party non-partisan voting groups)
- Provide opportunities for residents to use regular voting equipment to increase their familiarity and comfort with the equipment

**YOU CAN STILL VOTE**

AND

**HERE’S HOW**

It’s as easy as 1-2-3!
First: Qualify to Vote

You must:
- Be a United States citizen
- Be older than 18 years
- Have no guardianship order stating you can’t vote
- Not have been convicted of a felony

Necessary Voting Documents
- Driver’s License, even if expired or
- State Identification Card or
- Government document showing current address

Second: Register to Vote

- Decide what address to use, facility’s or a family member’s.
- Address must be within the county in which you’re registering.
- Obtain registration form from the county voter registration office, DPS office or call your local county courthouse.

Third: Vote Early

In Person
- Occurs over a 2 week period prior to an election, voting hours are extended, weekend times are available. See your local paper for times and locations.
- Bring one of the required documents with you.
- Polling locations are wheelchair accessible.
- If you can’t leave your vehicle, a clerk can bring a ballot to the car.

By Mail
- Be 65 years of age or disabled.
- You must have the number off your Voter Registration Certificate
- Request from the local elections administrator a ballot by mail. This ballot is referred to as ABBM. Complete this task at least several weeks prior to the election.

What can you do?

You can
- Ask for help from a relative
- Request a Voter Registration Card
- Request an application for a ballot by mail (ABBM) and ask for help to mail the form.

What can family do?

Family can
- Assist you in registering.
- Provide a ballot by mail if requested and assist you in filling in out.
- Take you to polling location during early voting.
- Inform facility that family will assist you with the voting process.
- Know where voting documents are located.

Family cannot
- Request a ballot without your knowledge.
- Influence your vote, mark a ballot in a way other than instructed by you, or tell anyone how you voted.
- Vote on your behalf without your knowledge
