

Jane McClinton

Jane McClinton Cromer passed away from COVID-19 on August 12, 2020 in Mt Pleasant, Texas.

March 12, 2020 was the last day her daughter was in the nursing home except for the night she passed away.

Her daughter stood outside her window 6-7 hours each day from March 12-August 12 to keep her company. Before COVID-19, either her daughter or hired sitters were with her at all times other than while she was sleeping.
