

Lois B. Lynch

This is my sweet loving happy mom, Lois B Lynch, on her birthday in 2019.

She died from COVID-19 on 12/13/20 after being diagnosed 3 days earlier. I was not notified despite initiating her being evaluated on 12/9 and numerous calls to get information.

I thank God I was able to be with her as she transitioned to Heaven, but she was "gone" from me. She deteriorated everyday of that quarantine, literally.
