You will be taken to this webpage – you can either click “View Data” or “Download”
If you selected “View Data,” you will be taken to this webpage—this will allow you to search all of the data you would have received if you selected Download, but you will stay in your web browser.
Enter the affiliated entity name, or the affiliated entity ID, to find the data for this specific entity.

Scroll through the data to find the statistics you’re interested in.
If you selected “Download,” this window will pop up. Select “Download Files” to access the data for all the entities in one spreadsheet.
To find the specific entity you’re looking for, highlight the first row by clicking “1” on the left. Then, select the “Sort & Filter” button, then “Filter.”
To search by entity name, click the arrow on the column “Affiliated Entity,” then enter the entity name, unclick the box marked “Select All,” and re-click the entity name’s checkbox.
After filtering, you’ll be able to see the data for the entity you’re interested in looking at.
