

## "Legacy's Dream"

The power of one ...

The power to stand.

To make a real difference...

To reach out your hand.

To care for the weak ...

For those with no voice ...

To offer them hope ...

To give them a choice.

To open their eyes ...

And comfort their hearts ...

To show them the way ...

And, make them a part.

To come along side ...

The kindness you bring...

Is never forgotten ...

It's Legacy's Dream !
