

"Stand by Me"

Stand by me, so that I won't fall GOD sends his angels Ombudsman are what their call, they're there at the drop of hat ready to fight for what is right for me, they're my voice, my ears, my eyes, my family. I may have complaints but I know they won't fall on deaf ears, because an Ombudsman is always standing near.

I may do a lot of reminiscing and running off at the mouth but I guarantee I'm looking for laughter somewhere about. I don't have long upon this earth and I want to enjoy it while I can, but if you think I'm all alone you best to think again because I have friends in high places I have an Ombudsman to end.
